

Consumer products (Professional/Amateur)

**AF** = Autofocus  
**B&W-H** = BW - head  
**CH** = Colour head  
**E** = Enlarger

**FP** = Film processor  
**PC** = Paper cutter  
**PD** = Paper drier  
**PP** = Paper processor

**PR** = Printer  
**XXXX** = unknown data; no service/spares  
**A / P** = Amateur (**A**) / Professional (**P**)  
 All measures without indications = cm.

**All the information above is given WITHOUT ANY GUARANTEE!**

#### **IMPORTANT**

The data in the columns "Product start/Product stop" refers to the launchdate of the first resp. the last series produced by Durst.

The "Service up to" data may vary for new units with integrated computers, because of the fast progress in this technology. **Service period reductions** are not only possible in such cases, but also for older units and Amateur Products!

\* spare parts for amateur units are only available up to the end of 2008!

**Please note**

The indicated date on page 3 of some spare part lists (see below XXXX) could be incorrect and therefore has to be considered as NO LONGER VALID!!

Durst guarantees parts availability for these/this unit/s at least to the year XXXX.
